

Daily Attestation Waiver - For Adults 18 Years and Older

Overview

This tool has been developed to support schools, activity organizers, employers, businesses and facility operators in reducing the risk of transmission of COVID-19 among attendees/staff. The tool is meant to be used to assist with assessing attendees who may be symptomatic, or who may have been exposed to someone who is ill or has confirmed COVID-19.

Attendees should complete this checklist prior to participating in the activity or program. Children and youth may need a parent to assist them to complete this screening tool.

If an individual answers YES to any of the questions, they must not be allowed to attend or participate in the activity or program.

*Individuals with fever, cough, shortness of breath, runny nose, or sore throat, are required to isolate for 10 days per [CMOH Order 05-2020](#) unless they receive a negative COVID-19 test and are feeling better. Use the [AHS Online Assessment Tool](#) to determine if testing is recommended and follow information on [isolation requirements](#).
